GOLD RUSH NATIONALS BOOKED OUT!

In the 1850s, the Gold Rush resulted in a throng of fortune seekers descending on Ballarat, all suffering from a serious case of gold fever. It seems history is repeating itself in 2023 with a charge of people again hastening to Ballarat for another Gold Rush.

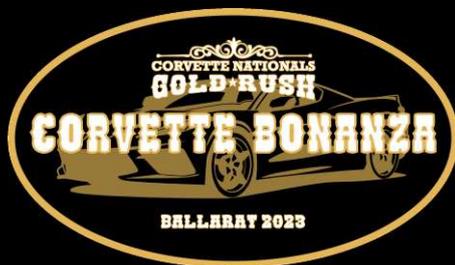

This time it's the 2023 Ballarat Gold Rush Corvette Nationals. With a pure gold event planned, this promises to be the best Nationals yet. In fact, with over 250 people paid up to go for gold, some of our

facilities are stretched to breaking point forcing the "Fully Booked" sign to go up.

But if there are any latecomers still desperate to stake their claim for the Nationals, we can scribe your name on the waiting list as there is always the possibility of cancellations. To get yourself or a friend on the waiting list, or to get further entry information, call Joe on 0418 478 814. You may still have half a chance of striking paydirt.

THE BALLARAT GOLD RUSH "CORVETTE BONANZA"

The organisers of the 2023 Ballarat Gold Rush Nationals understand there are many people who can't make the full Gold Rush Nationals. And because the event is now fully booked, a special invitation is extended to all Corvette owners to share in the Nationals Show 'n' Shine Day.

Corvette owners are cordially invited to turn up in their Corvettes at Lake Wendouree on Saturday 25th March, starting from 9:00am. We have arranged for a group of up to 100 Corvettes to be displayed on the grassed area next to the Ex-Prisoners of War Memorial. This area is adjacent to the registered Show 'n' Shine Corvettes and a short 250m from Show Headquarters and GMSV Display. This group of Corvettes will make up the "Corvette Bonanza" as part of the public Corvette display.

There is no charge to join the Corvette Bonanza and further information will soon be available through Corvette Clubs, on social media sites and on the Corvettes Australia website.

Please encourage your friends and fellow club members to bring their Corvettes to the Bonanza and help make this the biggest group of Corvettes ever seen in Australia.
