Hi Corvette Friends,

We have had a slow month due to weather and fuel problems. Jan and I were not able to go to Noosa for the Convention with a lot of issues, but from what feedback I have had those who went had a great time and bought back some trophies as well! Well done.

Our new meeting venue at Edmondson Tavern went well with a few little issues which we are working on to fix. Everyone liked the food and staff were great.

We have a run to Picton on April 14 and the all GM day on the 21st, so I hope to see many of you at these events.

PERFORMANCE AT YOUR FINGERTIPS

# SECRETARY'S REPORT - JAN

***Hello Everyone,***

It has been a quiet start for the year in terms of events and runs; several planned but not many completed due to the crazy weather we have been experiencing.

One event that did take place was the Nationals in Queensland. Those who went had a great time with each of the NSW cars entered for judging coming away with a trophy. Well done everyone.

The biggest change to happen since the last magazine is the new venue for the monthly meeting, now at 'The Edmonson Tavern'. This was widely publicised on Facebook and via emails and hopefully everyone is now aware of this.

Thank you to those who have contacted me with change of address/email details as this is the main way of communicating club information and is most important to keep up to date.

You have probably noticed quite a few references to: "JUNGLE MEMBER" over the past few months.

"Member Jungle" is an online membership software system that is designed to make it easy for organisations to "manage their members and day-to-day tasks" (quote from their website).

It is applied through an App on each member's phone that allows them access and to update their own information. It will alert everyone when their membership is due, H-plate information and access to all club information regarding runs and social events and payments.

A few of us have been trialing this over the past month to see if it will be of benefit to our club. No decision has been made and we will keep you all informed of our progress as we explore deeper into its pros and cons, so watch this space.

The Club's annual 'Show & Shine' will be held in September with date and venue to be confirmed.

***Cheers to all, Jan.***

## NSW CORVETTE CLUB - MEETING VENUE

*Our monthly meetings for the NSW Corvette Club are now being held at:*

**THE EDMONDSON TAVERN**

**1 KIBBY ROAD, EDMONDSON PARK NSW 2174**

This has been booked and confirmed till December 2026. Our March meeting was held at this venue. Overall, everyone seemed to be happy. Like all new ventures, we have some teething problems to overcome.

- \* A microphone will be needed - Warrewyk is exploring options for this (thank you!)
- \* The traffic noise was interrupting at times; this will be addressed by closing the outer shutters.
- \* Fans are due to be installed in the near future and there is already heating installed for the cooler months ahead.
- \* The food service was fast and a great variety of meals available to select from. Reasonably priced and good quality.
- \* The staff were very friendly and accommodating of all our requests.

Hopefully our transition to this venue will go well and we look forward to having more members come along and join us on the 1st Tuesday of the month.

## **36th Corvette Nationals**

*The 36th National Convention hosted by the Queensland Corvette Club was held in Noosa from Friday 20 to Monday 23 March.*

*Friday night we kicked off with a Meet & Greet Hawaiian style at Peppers Resort. Saturday morning we all gathered and headed to the Banana Bender Pub for the Show'n Shine and as you can see by the photos there were some beautiful Corvettes on show. We had lunch at the pub before heading back to our accommodation to get ready for the buses to pick us up and take us to Australia Zoo for a Barbecue dinner.*

*Before dinner we had a chance for a little 'meet and greet' with some friendly animals from the zoo and after that we spent the evening having a few drinks and catching up with old and new friends.*

*The weather was off and on with both rain and sunshine on the same day, however it didn't stop us from enjoying our weekend.*

*Sunday morning half the group went go-karting while the rest went for a cruise to Kenilworth; a small town about 50 minutes from Noosa. We visited the famous donut shop, the bakery and cheese factory and we did a little shopping before heading back to Noosa.*

*Sunday afternoon we had some free time to have a look around beautiful Noosa before getting ready for the Gala dinner Sunday night. The Gala dinner was great and made even more exciting by our club coming away with three trophies. We had five cars from our club, only three were entered to be judged and I'm happy to say all three took home a trophy! Go NSW! Congratulations Richard & Lynne Jagger, Geoff & Angie Cooper and Paul and me.*

*Monday it was time to say goodbye and head home.*

*A big shout out to the WA Corvetters who were unable to make the distance with their cars due to the floods but still made the effort to attend. We hope you had a safe journey home.*

*A huge thank you to Brad and his wife Sandy for a well-organised convention. After last year, we know how hard it is to host a convention like this and you did an incredible job and we all had a fantastic time. Bring on 2027 in Adelaide!*

*Mandy.*

# SHOW 'N SHINE AT THE BANANA BENDER

A WONDERFUL WEEKEND  
HAD BY ALL - WE LOOK  
FORWARD TO ADELAIDE

## NSW Corvette Club Meeting Tuesday 3rd March 2026

Meeting Venue – The Edmondson Tavern. Meeting opened – 7.27pm

**Apologies** – Joe & Sue Farrugia, Rhonda Wilson, Ed Maszluch, Steve brown, Belinda Ford.

**Present** – As per attendance book.

**Previous Minutes** – Read by Doug Ford and Jeff Wilson, no matters arising from these.

**Presidents Report**- Not much to report due to the weather, a couple of our runs have had to be cancelled. The run to Robertson will now be held on March 15th meeting up with our Canberra friends.

We have now moved our meeting venue as the new management at Crossroads refused our previous arrangements. Many venues now want large payments for us to hold our meetings. I thank those who have checked out locations and reported back on prices.

We have been checking out new ways to run the club through a member jungle trial, thanks to Brett Jones. As it is early days, we only have limited experience but are seeing if it helps our office bearers with everyday tasks. We will update you with the results. For those of you who are not happy about this need to ask are they prepared to step up to these jobs? That's all for this month.

**Vice Presidents Report** – Jeff told us that Rhonda is doing well after her recent knee surgery. Spoke about Member jungle and the potential benefits for the club.

**Secretary Report** – Have received GM minutes from previous meeting, next meeting will be at Penrith Fire Museum on Saturday 21st March for planning of Display day, Charlie and Simon are the club representatives.

Wayne Hulbert doing well after his recent surgery, thanked us for our card. If you know that a member is unwell, hospitalised etc please let Rhonda, our welfare officer, know so we can make contact. Anniversary badges have been posted out to members; more have been ordered this month.

Regarding new venue for meetings, I sent a big shout out to everyone who phoned around, emailed and visited many different places. Thank you to Robert Poynting for his suggestion of Strathfield Golf Club. Low cost, good location but sadly no Bistro/ food service on Tuesdays. Will keep this venue in mind for future club functions.

**Treasurers report**- Current Investment has been rolled over for 12 months. Money from CNC to be invested shortly. This money to be used for future CNC Events hosted by NSW Corvette Club. Debits this month \$2282 being for magazine printing and post.

**Stock Control** – Umbrellas available Big \$20 and Small foldable ones \$25. Also have stock of polo shirts and sloppy Joes in all sizes and hats. Hot / cold travel cups also available at \$25.

**Registrar Report** – Jorge will no longer be travelling to sign up new members/H plate renewals, all relevant papers to be posted or emailed BEFORE due date or attend club meetings to have paperwork endorsed. Jorge is vacating the Registrar position at this year's AGM in October.

**Technical Advisor** – Steve Rosenfels and Denis from SR Performance attended tonight. Steve spoke about cars left standing for long periods of time and the effect on batteries. He spoke about 'C Tech', a battery minder that maintains the charge. These are available for under \$200. He recommends weekly startup of cars to help maintain battery.

**Past Events** – Mostly all rained out.

Up-coming Events – Robertson Pie shop with Canberra Club now on Sunday 15th March.

Richard Jagger has contacted about the planned Mudgee weekend. 1st-3rd may clashes with a big bike ride event and accommodation has become very expensive. Alternate date of 8th – 10th suggested but this is also Mother's Day so majority voted that this was not suitable for them. If interested, please contact Richard.

All GM Day – Penrith Fire Museum 19th April 2026. CNC at Noosa / Queensland. 20th -23rd March 2026.

**BREAK TIME**- *Coffee and tea available from bar.*

**General business** – Brett spoke about 'Member jungle'. We have a free trial going for 30 days and he has been looking at how it works along with Peter and Jan. More information to come on this.

Raffle – Tonight's lucky winners were: Bronwen, Maurie, Bill & Penny. Hope you enjoy your Easter prizes. Thank you, Mandy, for again organising these.

**Next meeting – Edmondson Tavern Tuesday 7th April.**

Meeting Closed – 8.30pm

## From the Treas\$ury

Very quiet month with two main deposits of \$100 from a new member (Mr. Sam Dray), plus \$595 in cash which is a carry-over from monthly raffles, R. Arico (\$75) etc. that I finally counted and bagged up to St. George Bank. This was offset by several expenses of \$1850 for CMC renewal, PO Box renewal \$249 and IT domain renewal service and upgrade \$292.

This closed the account at \$46,308.52 whilst the Club's Investment account is locked in for 11 months and stands at \$27,236.53. Amazing I just noticed these two separate accounts end with \$0.53 cents!

Your team is still working with St. George to open another Investment account endeavouring to get a much better return on your hard-earned monies. I'll go out on a limb here and be very non-Treasurer and suggest that the committee might like to give some thought of giving a little back to its members via a way of sponsored outings? Sorry, 'outing', one only, which would be available to all financial members. (Just a suggestion!).
